- Available with full upholstery in a large selection of fabrics and leathers
- Fixed seat cushion in moulded polyurethane foam. Fixed with Velcro
- Suitable for a wide variety of private and public environments
- Qualified for contract use

AAL SOFA

DESIGN BY HEE WELLING & HAY

Sharing the same minimalistic principles and versatility as the rest of the series, About a Lounge Sofa is a cohesive fusion of two lounge chairs. With its curvy lines and organic expression, it invites close, intimate meetings at the same time as it offers an open and welcoming structure. The choice of oak finishes on the legs and upholstery colours and combinations allow you to create your own unique design. Incl. fixed seat cushion mounted with Velcro.

AAL Sofa | Hallingdal 116 | Water-based lacquered oak base

Non-domestic seating

SUSTAINABILITY

HAY focuses on developing long-lasting products that minimise the environmental impact throughout their lifecycle. We prioritise carefully selecting materials, such as recycled content, FSC-certified wood, and water-based lacquer, while continuously increasing the number of eco-certified products. We adhere to strict regulatory requirements, and the majority of our products are tested to meet international standards for strength, durability, and safety.
