Outdoor

Designed with materials completely suitable for outdoors together with its thin, aluminum legs which contrast with its massive form, the Dor family allows for creating offbeat spaces thanks to the applicability of all colours and patterns in the chart.

It leaves a creative playground to the user, allowing for different options in its pillows and cushions in addition to the main sitting area.

STEP 1) CHOOSE THE MESH UPHOLSTERY FOR THE ALUMINUM FRAME. BOTH OPTIONS ARE MESH AND INCLUDED IN RETAIL PRICE.

- **Serge Ferrari® Batyline Iso** offers excellent performance while withstanding spills, splatters, and the hustle and bustle of high-traffic areas.
- **Sunbrella® Sling** combines the strength of PVC with the softness of its mass-dyed acrylic to achieve a strong sense of indoor in an outdoor setting.

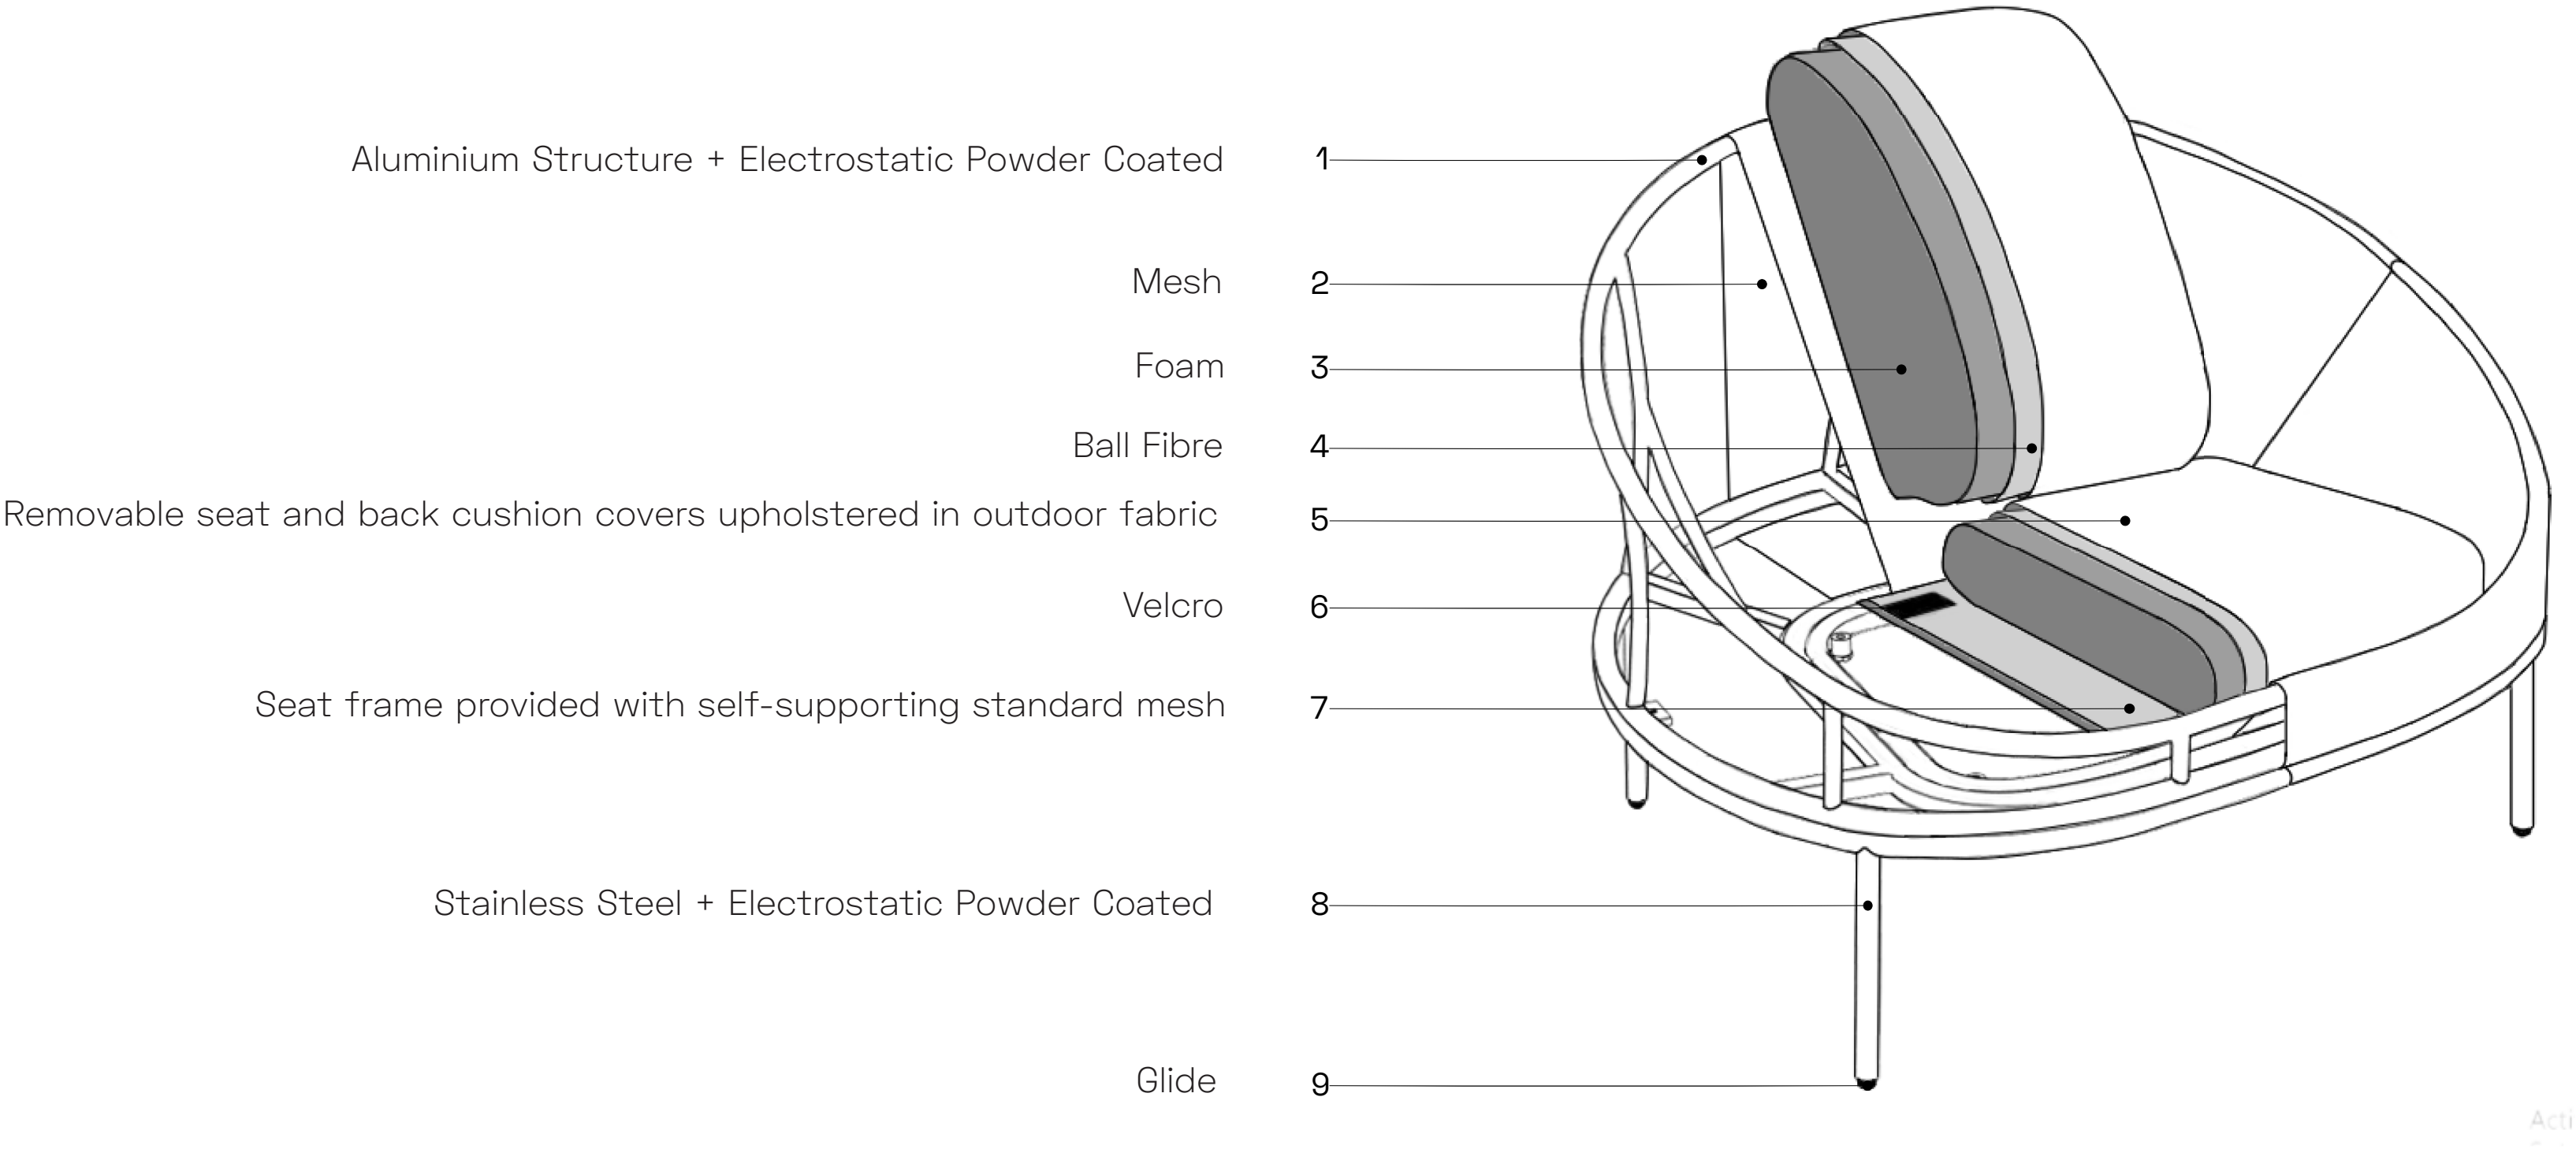

Mesh Options:

Note: Serge Ferrari® - Batyline Iso features wider mesh holes, resulting in a slightly transparent look. Aluminium frames will be **Silk Grey** for light-colored mesh and Taupe for dark-colored mesh.
Pricing Note: Your selection of fabric for the cushions (e.g., Class A / COM, Class B, etc.) determines the overall price.

STEP 2) DECIDE FOR THE FABRICS TO BE USED ON THE SEAT AND BACK CUSHIONS. You are free to choose among all Class A / COM to Class F fabrics from the B&T Outdoor Collection. Remember that seat and back cushion covers are removable with zippers. Seat cushions are detachable with velcro.

STEP 3) IN CASE YOU NEED PROTECTIVE COVER, PLEASE SPECIFY WHEN YOU ORDER. 100% polyester covers can easily be put on your outdoor furniture for protection against dirt, humidity, rain, sun, and morning dew.
