Great selection for who need
wide and modern seating.

Durgu

Sofa

Indoor

Thanks to its many different module dimensions you may create many different width options. You may go as wide as you like. With its dignified look and strength, it reflects sense of confidence. Suitable for use in break rooms, waiting rooms in hospitals, educational institutions in living areas, exhibition center common usage open areas, business centers, and lobbies.

Linear detail by in the bottom part of the seatback is very for sure very distinctive design detail. Made out of metal structure and contract grade injection molded polyurethane foam. Besides double, triple, quadruple models, modular units help you to create almost any size you need. Any fabric from graded in B&T Design fabric collection is approved for Durgu. The base can be chrome or static paint. The seating surface, the stitching accuracy between the armrest and the back reveals the brand's tailoring expertise in the seat and sofa.
