## Family

The essence of Family is a variation on a visual theme that links its members together; it means unity within diversity. Crafted in different combinations of three types of wood, each member of our family can be an individual, a pair, a trio, or a big family of nine or more.

Lievore Altherr Molina, 2014

Lievore Altherr Molina was founded by Alberto Lievore, Jeannette Altherr and Manel Molina in 1990. Their humanist design approach is informed by the fundamental desire for pure, beautiful forms derived from the constraints of function, technology and context. Distinguished by a multi-disciplinary method that engages furniture, interior, product, and package design, their work has been globally exhibited and acknowledged. They are the recipients the prestigious National Design Award (1999) in Spain where they practice and teach extensively.
