Fly

Great selection for hotels, lobbies, break-out rooms as well as modern design focused homes.

Indoor

If you are in search for a low or side table that combines warmth and coziness of the wood and modern and industrial impact of the metal; Fly will be a good companion.

There are several different sizes and several different height options offered beside the Fly center low table.

With its contemporary design Fly tables can be matched with almost any B&T Design seating units.
