Table - Low Table

Globe

This long-lasting product can be a great solution for high traffic restaurants, cafes and public areas.

Indoor

Due to the intensity of use, it can be placed on the dining floors of the shopping mall for carrying bacteria and hygiene to the upper level, and acrylic tables in the dining rooms for institutional establishments.

Product Details

Globe is another occasional bistro table by B&T Design. The Globe table tops are produced as elliptic, square or round shape. The base can be ordered in static paint colors found on the B&T Design metal color catalog.

Finish Options

A rich range of material choices is provided for Globe series to create the best match within interior style.
