PLAT

Meet the PLAT family, which brings aesthetics and functionality among B&T's new designs to the outdoors in the most authentic way! Using suitable materials for outdoor conditions by preserving the same design language, B&T reshapes its unique forms characterizing the indoor spaces and the authentic lifestyle that it has created, and its new designs erase the boundaries between the indoors and outdoors.

Sofa

Outdoor

Considered as the substitute piece of the family in line with the plan of flexible use together with the single armchair and three-seat sofa models with large seatings, the pouf is designed in a way that it can also be used as a side table.

Plat

Sofa

Outdoor

Lightweight and easy to move thanks to its aluminum inner frame structure behind its monumental look, the Plat family facilitates a stylish world. Combining simplicity and comfort in a refined aesthetic style, Plat provides a comfortable seating by rendering the vertical back rotations framing the asymmetric form suitable to ergonomics with the cylindrical-formed secret inner and outer cushions.

Plat is available in every colour in the chart among the fabric options suitable for outdoor use, and renders creative ideas applicable with same or different colour matchings on its inner or outer surface.

Finish Options

A rich range of material choices is provided for Plat series to create the best match within interior style.
