ELUSIVE

Meet the Elusive Family which stands out with its modern, cozy and inviting style among B&T's new designs. Using suitable materials for outdoor conditions by preserving the same design language, B&T reshapes its unique forms and the authentic lifestyle that it has created, and its new designs erase the boundaries between the indoors and outdoors.

Outdoor

The Elusive Family has been designed in order to meet the needs specific to the outdoor spaces and to host long-lasting, hospitable receptions, and creates an atmosphere where the private and shared spaces are perfectly combined.

Table - Low Table - Bench

While the iroko and technical stone upper table alternatives, which complete its modern look by creating a linear pattern, are combined with the body and legs constituted with the aluminium extrusion method where all the colours in the colour chart can be applied, they also stand out with their elaborate craftsmanship.
