CLAP

Meet the CLAP family, which brings grace and minimalism among B&T's new designs to the outdoors! Using suitable materials for outdoor conditions by preserving the same design language, B&T reshapes its unique forms and the authentic lifestyle that it has created, and its new designs erase the boundaries between the indoors and outdoors.

The Clap family enables customization of its breathing, UV protected, waterproof fabrics with the application of each colour in the B&T colour chart which is completely suitable for outdoor use.

With its design matching its aluminum arms and legs, the Clap family allows for creating a comfortable sitting area which does not restrict any movement thanks to both its comfort and lightness.
